LOVISH SINGLA

Haryana, India ● singlalovish26@gmail.com ● 98159-75336

SKILLS

- **Frameworks and Tools:** Next.js, Node.js, Express.js, MySQL, GIT
- **Languages:** C++, C, JavaScript, HTML, CSS, Java
- **Libraries:** React.js

EDUCATION

- **Indian Institute of Information Technology(IIIT), Sonepat** 2023-Present
  Bachelor of Technology – Computer Science
  CGPA: 9.29

- **BCM Sen. Sec. School** 2015-2022
  Class 12 92.4%

PROJECTS

- **CareerBridge-Job Portal** – *React.js, MongoDB, Express.js, Node.js, Shadcn UI* Aug 2024 – Present
  - Designed an end-to-end Job Portal application utilizing the **MERN** stack; developed **six unique** system features that streamlined user experience by integrating secure **JWT** authentication with advanced **RESTful APIs** for data handling.
  - Built an intuitive **React frontend** for job search and user/company dashboards, utilizing **Axios** for smooth API communication and **React Router** for seamless navigation.
  - Integrated **Cloudinary** for media upload management (profile pictures, company logos) and implemented security best practices to ensure a reliable user experience. [Demo]
- **Farely-Taxi Booking App** – *Next.js, Mapbox API, React Map-GL, Tailwind CSS*
  - Developed a frontend taxi booking application using **Next.js, Mapbox API, React Map-GL, and Tailwind CSS.**
  - Implemented a feature for users to input pickup and drop-off locations, with automatic calculation of taxi fare based on distance.
  - Integrated **Clerk** for user authentication, enhancing security and user management. [Github] [Demo]
- **Firebase-Contact App** – *Firebase, React.js* Jan 2024 – Jan 2024
  - Developed a contact list management website using **React**, enabling users to effortlessly add and edit over **200 contacts** while maintaining an intuitive user interface for seamless navigation across the platform
  - Integrated **Firebase** for real-time database management and secure data storage.
  - Implemented features for adding, editing, searching and deleting contacts with a responsive UI. [Github] [Demo]

ACHIEVEMENTS

- **Jee Mains(2023)**
  Ranked in top 3% out of ~1.2 million students.

- **Jee Advanced(2023)**
  Ranked in top 2% out of ~1.2 million students.

- **Solved 300+ DSA Problems**
